## Measures to Prevent COVID-19 Infections

To safeguard against COVID-19 infections, Taka Ishii Gallery will implement the following measures:

### Measures for Staff:

- It is up to the individual staff member's discretion whether or not to wear a mask.
- The space is kept well ventilated by use of ventilators, windows, etc.
- Frequently-touched objects (i.e. chairs, tables, displayed information, telephone handsets, doorknobs, etc.) are sterilized regularly.
- To maintain social distance, we coordinate appointments with clients to avoid overlap.
- We avoid commuting during times when public transportation is congested.
- Any staff with symptoms of respiratory infection or fever shall consult a doctor immediately.
- We wash our hands carefully, disinfect them, and gargle regularly not only when returning to the office, but also while working.

### Measures for Visitors:

- If you have a fever or symptoms of respiratory infection please visit the gallery after your symptoms have subsided.
- Upon entry:
  - It is up to the individual's discretion whether or not to wear a mask.
  - It is recommended you use the hand sanitizer provided.
  - It is recommended to maintain social distance throughout the gallery.
